

AAB International Industry/Educator Forum

July 21, 2016 – Toronto Ontario

**Cesar Longeri
Director, Maintenance, Repair and Overhaul Operations**

A Different Kind of Airline

- Jazz is Canada's largest regional carrier and the second largest airline in Canada based on fleet size.
- We fly on behalf of Air Canada to over 70 destinations in North America and serve all 10 provinces and one territory.
- Our employee talent is what keep us going.

Our 800 Maintenance and Engineering employees are located in:

- Vancouver
- Calgary
- Edmonton
- Winnipeg
- Toronto
- Ottawa
- Montreal
- Quebec City
- Halifax

Why Jazz ?

- Our Fleet
- Our Benefits
- Our Vision and Values

Jazz honoured with three awards at Bombardier ceremony

Jazz was one of 12 airlines recognized for world-class operational performance excellence and the only airline to receive multiple awards. Receiving awards in categories for three of four aircraft types in our fleet was remarkable.
