

EXPERIENCE COLUMBUS!

Columbus is a city built on bold ideas and fueled by relentless optimism. As a community, we tend to dream big. We let nothing stop us from turning today's dreams into better tomorrows. Right now, in the midst of this global crisis, when life seems to be put on hold, it's more important than ever to look forward. By spreading hope and happiness, we can outlast the spread of COVID-19. As friends, neighbors, and family, let's live to love. Live to give back. And show the world all that's possible when you **#LIVEFORWARDCBUS**.

Columbus is open and welcoming visitors and is dedicated to doing so safely. View the businesses who have signed the Live Forward Pledge, committed to keeping visitors safe during the pandemic, see what attractions are open and welcoming visitors and stay engaged with us through our digital platforms.
