A blue-toned photograph of a rocky coastline. The foreground shows dark, jagged rock formations on the left side. The middle ground features white, foamy waves crashing against the shore. The background is a vast, calm blue sea extending to a clear blue sky. The overall mood is serene and contemplative.

# In Memoriam

*"What we have done for ourselves alone dies with us; what we have done for others, and the world, remains... immortal."*

-- Albert Pike

# Dr. Thomas Connolly

*Your life was a blessing,  
your memory a treasure.  
You are loved beyond words  
and missed beyond measure.*
