

AABI ACCREDITATION SEMINAR

Information, Guidance and Training.

February 19, 2024

Accreditation Seminar Description:

For the 2024 Winter Meeting, AABI will host the **Accreditation Seminar** focusing on “*Secrets for Success in the AABI Accreditation Process.*” This **Accreditation Seminar** will help prepare institutional representatives of programs in candidacy for initial accreditation or reaffirmation, as well as those considering beginning the process, for what is expected.

Topics will include discussions on some or all of the following:

- Using Weave optimally, for you and for AABI.
- What do we expect on the Form 202 (Application)?
- What do we expect on the Form 204 (Self-Study Report)?
- The Visiting Team process: working with your Team Chair to maximize success.
- Team Pre-Visit Briefings—how to use the checklists to be really successful!
- Responding to Recommendations in the Visiting Team Report.
- What happens after the Accreditation Committee and the Board have met?
- What do you mean, I have to do an Interim Report? What’s that all about?
- And finally, “let’s have an open discussion—what do you want to know, that we haven’t covered”?

Bring your questions to the Seminar.

The workshop and Seminar will be facilitated by highly experienced AABI leaders, with wide-ranging experience in the AABI accreditation process, including visiting teams, committee chairs, and AABI staff. Past Seminar participants have benefitted significantly from this cross-disciplinary experience.

Take advantage of this opportunity to learn as much as possible from Dr. Tom Carney’s 27+ years of accumulated AABI knowledge!
